No! There will however be items for sale, such as a light lunch item and snacks provided by the Abilities Tree House Café, and arts and crafts handmade by the individuals in our programs.

- **Do we get to choose what activities we are scheduled for?**

We will provide your school or family with a set schedule of activities for the EXPO. It's important to arrive on time as activities cannot be delayed for late arriving groups. There will be free time built into the schedule for lunch and switching of activities.
