BELVIDERE – Abilities of Northwest Jersey will host its annual fundraiser, ‘Til Death Do Us Part, a murder mystery dinner theater event that will also include dinner, dancing and an art auction, at 6 p.m., Saturday, March 25 at The Belvidere Manor, 689 Water Street in Belvidere.

Presented by The Murder Mystery Company, ‘Til Death Do Us Part is an immersive dinner theater experience. Cocktails will begin at 6 p.m., with an art auction of works by local artists. Anything can happen during this comedic Clue-style performance, and everyone in attendance will have the opportunity to solve the case. The dinner theater begins at 7 p.m., followed by dancing at 9:00

.Honorary chair for the event is Dr. William Austin, president of Warren County Community College (WCCC). As president of WCCC, Dr. Austin has advanced enrollment and improved graduation outcomes for eight consecutive years, and set an institutional enrollment record last fall. Austin has led the development of new academic programs, including the first new nursing program in New Jersey in more than 20 years and a nationally acclaimed veterans program. WCCC has been twice recognized as one of the fastest growing community colleges in the country by Community College Week. Dr. Austin has also initiated new campus construction, doubling the physical campus space, and WCCC has had a revenue surplus every fiscal year during his tenure.

Special recognition at the event will also be given to longtime Abilities advocates, the Keeney family. Abilities of Northwest Jersey, Inc. is a not-for-profit agency founded in 1974 and dedicated to improving the quality of life and employability of persons with different abilities through vocational training and individualized services. Proceeds from the evening will benefit Star, a collaboration between Abilities and WCCC offering educational and employment training opportunities with classes presented on campus at WCCC in Washington.

Tickets for the evening are \$80 per person. Sponsorships are available. For tickets or for more information about Abilities, call (908) 689-1118, and visit the website at www.abilitiesnw.com.
