Live Supports Program Q&A Sessions

To provide an opportunity for individuals, families, support coordination agencies, and providers to ask questions and share issues related to the launch of the Supports Program, the Division will hold a series of regularly scheduled live Supports Program Q&A webinars with Jennifer Joyce, Director, Supports Program and Employment Services.

These sessions will be held **Fridays, 2:00 PM - 3:00 PM**, on the following dates:

- August 7, 2015
- August 21, 2015
- September 4, 2015

NJ CAT Notifications

The final batch of NJ CAT notification letters has now been distributed. (Notifications for individuals residing in licensed residential settings were distributed to residential providers). Please note that **every individual who is eligible to receive and/or currently receiving Division-funded services must complete the NJ CAT**(New Jersey Comprehensive Assessment Tool). If you do not receive a notification regarding completion of the NJ CAT, please contact the Supports Program Help Desk via email at: DDD.SuppProgHelpdesk@dhs.state.nj.us

Tier Assignments

The Division has begun the process of releasing tier assignment information to individuals/families who submitted a request to receive that information. If it has been 30 days or more since you completed the NJ CAT assessment, you may submit a Request for Tier Assignment Form by uploading the completed form to our secure online site or sending it via regular postal mail. Please see the form link and submission instructions below.

Please complete and submit the fill-able Request for Tier Assignment Form, available on [Abilities: Caregiver Resources: Important Updates.](#)
