Football is here!

Michael Burrini

My name is Michael and I love football! I watch football games on the TV on Sundays and Mondays. I like football because I like to watch the players run and catch the ball. Sometimes I watch college football on Fridays, but I really like to watch the NFL more. September 7th is going to be the kickoff of the new season! I am very excited about it and I want my team to win the Superbowl!

Weekly dinners out

Alex Trautman

Every week, me and my friend go to Franks for dinner. My friend gets spaghetti and meatballs or chicken parm. I usually get shrimp scampi. We got mozzarella sticks and zucchini sticks to share. I look forward to going to Franks every Friday!

Fourth of July

Florence Scribner

I had a good fourth of July. We had a picnic with a lot of food! We had hot dogs, potato salad, coleslaw, deviled eggs, hamburgers, watermelon, and chips! After we ate that, we had the option to have dessert! There was peach pie and cupcakes with blue and red icing on them. There was soda to drink also. We had company come over, we enjoyed spending time together!

Ford Cars

Jack French

I chose to write about the car company named Ford this month. Ford has many different types of cars including trucks, cars, SUVs and more. Fords are a good and reliable vehicle; my favorite is the pickup trucks that Ford makes. I like the way that they look.

Hug! Pretty Cure

Jamaal Theodore

Thirteen-year-old Hana Nono, a girl who aspires to be seen as mature, is beginning middle school in Hagukumi City when she encountered a strange and cute baby named Hug-tan and a hamster-like fairy named Harryham Harry who had appeared out of the sky. But amidst the encounter, Hana learned from them that they were pursued by the Criasu Corporation, an evil conglomeration from the future who wants Hug-tan's Mirai Crystal and to alter the present to suit their needs. Hana's desire to protect Hug-tan causes her to gain her own Mirai Crystal using the PreHeart, which transforms her into the Pretty Cure of High Spirits, Cure Yell. Together with Saaya Yakushiji and Homare Kagayaki, their group is later joined by Emiru Aisaki and Criasu android Ruru Amour, and they form the Hugtto PreCure team in hopes of protecting everyone's future.
