

SustainAbilities™ Electronics Recycling connects individuals with disabilities to sustainable actions and provides valuable employment and skill training opportunities. Electronic items donated by individual or community collections are broken down, sorted, and recycled to help keep e-waste from ending up directly in landfills.

E-WASTE DROP OFF:

Monday – Friday • 8:00am - 3:00pm

Abilities of Northwest Jersey Inc.

264 Route 31 North, Washington, NJ 07882

Follow signs to back of building. Upon arrival, call 908-689-1118 for assistance.

Please no dumping. All donations require documentation.

We accept a courtesy \$10 donation for handling of all electronics recycling items.

Proceeds from the SustainAbilities program benefit people with disabilities.
