

# Washington Center Memories 2024

This year we went shopping to get tomatoes and peppers to plant in our garden for Health and Wellness, as well as flowers to contribute to the greenhouse at M.A.C.

Went swimming at the Belvidere Pool throughout the summer months

We also went to Bingo at the Senior Center and Bowling at Oakwood Lanes.

We did some volunteer time at both Flemington and Phillipsburg Thrift Stores.

We've done Meals at Home every Tuesday throughout the year.

We enjoyed a nice summer day at Meadow Breeze Park for a picnic and games.

We went to the grocery store to buy the necessary groceries needed for Cooking Club where we've made Vegetable Bean Burritos and salad.

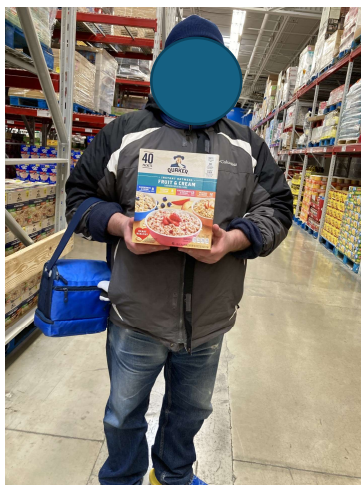

*We made candles to sell at the Thrift Stores and even at Festival of Trees*

2.

*We've taken trips to Sam's Club to get snacks and drinks needed to keep our Coffee Shop up and running.*
