My favorite books by Brian S

I like mysteries and superhero books. I enjoy looking at the pictures and having my family and staff read to me. I like big books because I can see the pictures better, and they have more stories.

My Creations by Brianna H

I like building, and LEGO is the best. They come in different colors and shapes, and the instructions help you build things. Plus, they're like a whole other world. Legos help me use my imagination. Right now, I'm building a mansion. My dream is to create an entire city with Legos.

Latest news and updates by your reporter on the scene, Darren.

The past month we had group outings to the Senior Center for lunch, ShopRite, Dairy Queen for lunch and we went on Meals at Home 6 times!

Update on our vegetables:

We have green beans and tomatoes growing on our plants! The pumpkin vines and herbs are getting big. It looks like we'll have squash starting soon. We used the lettuce we grew to put on our burgers when we had our summer picnic. It was tasty!

MSN

The therapy dogs came to visit MSN today. Mary Ann used to be afraid of dogs. She recently overcame her fear of dogs because Dixie comes to visit every other week. Dixie is a mild-mannered border collie with a calm personality.

We're happy to announce that Mary Ann is the consumer of the month. Mary Ann loves to dance, model, and get her nails done.

A couple of years ago in the late summer and early fall I went to Ocean City, MD for vacation and it was awesome! We went to The Mermaid Museum and we saw the artifacts of mermaids, sight seeing reports of mermaids, mermaid statues, historical artifacts of mermaids, mermaid's drawing wall, I heard mermaids singing when I enter the building, I took pictures and they have mermaid souvenirs in the gift shop! You should check it out when your on vacation and it at Berlin, MD on top of Good Old Fellows building!
